This enchanted and serene setting is nestled amongst nature and overlooks Porter Creek. The modern 3 bedroom 2 1/2 bath home offers 2,150 sqft and is sited on one acre of land. Views reach up the valley and to the surrounding ridge tops. An array of large windows and 9 ft. ceilings allows an abundance of natural light to flow throughout the Great Room. Beautiful wood floors extend through to the dining and kitchen. A light and bright kitchen includes shaker style soft close cabinets over quartz countertops and stainless appliances. Don't miss the walk-in pantry. A spacious primary suite is highlighted with wood floors, walk-in closet and an elegant bathroom. The walk-in/sit down shower is huge. Two patio doors leading to the deck, terraced patio and multiple yards creates a perfect blend of an indoor/outdoor lifestyle. Additional features include A/C, Milgard windows, 2,500 gallon water storage and sprinklers throughout the home. Quaint trails lead down to the sparkling creek lined with colorful wild flowers. Enjoy the wildlife and mother nature to it's fullest!
